SITUATION SUMMARY

Cal OES Activation Status

State Operations Center	Inland Regional EOC	Coastal Regional EOC	Southern Regional EOC
Normal Operations	Normal Operations	Normal Operations	Normal Operations

SCE PSPS Event 10.12.19

On 10/14/19 at 1511 hours, SCE notified the California State Warning Center (CSWC) of their decision to activate their Emergency Operations Center (EOC) for a potential Public Safety Power Shutoff (PSPS) event. SCE's EOC activation is due to a projected threatening weather event in their service area. The projected timing of the weather event and potential de-energization window is forecasted by SCE to begin on [10/17/19 at 0300 hours](#) and end on [10/20/19 at 0000 hours](#)

Potentially Impacted Counties: [Los Angeles, Riverside, San Bernardino, Ventura, Inyo, Kern, Mono and Santa Barbara Counties](#) ([Added Los Angeles, Riverside, Ventura, and San Bernardino Counties](#))

- Total Potential Circuit Impact: [44 circuits \(+22\)](#)
- Total Potential Customer Impact: [39,424 customers \(+24,393\)](#)
- Medical Baseline Customer Impact Potential: [483 customers \(+416\)](#)
- Critical Care Customer Impact Potential: [129 customers \(+118\)](#)

Cal OES COASTAL REGION

Nustar Tank Farm Fire, Rodeo, Contra Costa County, SPILL: 19-6635

On 10/15/19 at 1402 hours, an explosion/fire occurred at the Nustar Tank Farm, which has consumed at least two tanks filled ethanol and Jet fuel caught fire, and created a small vegetation fire.

- Two tanks holding approx. 167,000 barrels of ethanol each.
 - The supply line has been successfully shut-off.
 - Foam is still being applied to the area that was burning.
 - Additional storage tanks threatened.
- No reports of any missing or injured personnel at this time.
- State responsibility area of the CAL FIRE Santa Clara Unit.
 - 15 acres grass fire, 75% contained
 - Phillips 66 Fire Dept., is responding to provide assistance.
- Phillips 66 is not part of NuStar Energy Tank Farm Facility.
 - NuStar Energy Tank Farm provides Material to refining customers.
 - Does not immediately impact the production of ethanol products.
- No information at this time connect this incident to the earthquake that occurred last night.
 - The earthquake stations closest to the facility had registered at Shaking Intensity IV (light shaking).
 - It's possible the two events are linked, it is highly unlikely at that level of shaking.
 - No evidence supporting that the earthquake from last night caused the fire.

OF EMERGENCY SERVICES

SITUATION SUMMARY

Cal OES COASTAL REGION (Continued)

Nustar Tank Farm Fire, Rodeo, Contra Costa County, SPILL: 19-6635 (Continued)

- The Contra Costa County Emergency Operations Center is not activating.
 - The EOC is ready to activate immediately if needed.
 - Currently no unmet needs.
 - Sirens are alerting impacted population for 3 minutes every 30 minutes
 - WEA and EAS message sent at 1511 hours

Deployments

- Two Cal OES Fire and Rescue Hazmat Specialists is on-scene at the Incident Command Post. (Demobilized as of 1850 hours)
- One Cal OES Coastal Region ESC on scene at the Contra Costa County Emergency Operations Center.

Resources Assigned

- OES Hazmat 21 is on-scene to conduct air monitoring.

Evacuations

- Phillips 66 Refinery fully evacuated.
- Nustar Energy Tank Farm fully evacuated.
- Shelter-in-place for Carquinez.
- Shelter-in-placed lifted for Crockett and Rodeo.

Road Closures

- Interstate 80 is closed in both directions from 3.1 miles east of Hercules to 0.4 miles east at the Carquinez Bridge, detours were in place in both direction.
- Local road closures are in place for the impacted area.

Evacuation Center

- The Dead Fish restaurant, 20050 San Pablo Ave., Crockett, 94525
 - Population Count: 7
 - County is establishing an alternate location to move evacuees too.

Health and Medical

- County Public Health DOC is open for Hazmat.
- MCI alert was sent out to proximal hospitals as a forewarning.

SITUATION SUMMARY

Cal OES COASTAL REGION (Continued)

4.7 Magnitude Earthquake, Tres Pinos, San Benito County

On 10/15/19 at 1242 hours, a verified 4.7 magnitude earthquake occurred 10 mile Southeast of Tres Pinos, San Benito County.

- No reports of damage.
- No reports of injuries.

Per Cal OES Earthquake and Tsunami Program Duty Officer

- The earthquake occurred within one mile to the west of the San Andreas Fault Zone.
- The focal mechanism of the earthquake indicates that it is a strike slip fault motion.
- According to USGS forecast, aftershocks are likely to continue and will decrease over time. Within one week of this event, there is a 2% chance of one or more aftershocks larger than M4.8.

Cal OES INLAND REGION

- See Fire Activity slide.
- See above for PSPS information.

Train Derailment, Bakersfield, Kern County, SPILL: 19-6639

On 10/15/19 at 1720 hours, the California State Warning Center (CSWC) received a report from Union Pacific Railroad (UPRR) advising that one locomotive derailed in the upright position due to unknown causes.

- No hazardous materials were released and no injuries reported.
- CSWC personnel performed notifications per SOP.

Cal OES SOUTHERN REGION

- See Fire Activity slide.
- See above for PSPS information.

WEATHER KEY POINTS

10/15/19 - 10/21/19

Tuesday-Wednesday

- Drier and warmer conditions, combined with weak to locally moderate offshore flow, will bring elevated fire weather conditions to portions of Southern Region
- A cold front will bring precipitation to the northern third of the state on Wednesday, especially in the Coastal Region, but no significant impacts are expected

Thursday-Saturday

- A series of cold fronts will continue to bring periods of precipitation to the northern half of the state, but no weather or water impacts are expected
- Gusty Sundowner winds are expected for southern Santa Barbara County Thursday through Sunday

Sunday-Monday

- Critical fire weather conditions could develop Sunday across Southern Region and continue into early next week, especially for the mountains and valleys
 - A weak Santa Ana wind event is possible Sunday through Tuesday, but at this time is expected to be much weaker than the event last week

CALIFORNIA WEATHER IMPACTS

10/15/19 - 10/21/19

<u>Hazards / Day</u>	TUE	WED	THU	FRI	SAT	SUN	MON

Cal OES LAW ENFORCEMENT MISSIONS

Ongoing Cal OES Law Missions

- **2019-LAW-6296, 10/13/19, 1806 hours:** Received email from CSWC regarding an ELT activation reported by AFRCC. It documented AFRCC received 25 pings for an ELT between San Francisco and Sacramento, with the pings centered in the area of Yuba County Airport (Coordinates: 39.717500, -121.262333). 1816 hours, contacted AFRCC and confirmed the information provided to CSWC. They advised the coordinates provided were a centrally located position of all the pings, which encompasses a large area. They indicated the search area could be between the City of Oakdale and the Oregon border. CAP was notified and will be deploying either this evening or tomorrow morning. **Update, 2255 hours:** contacted AFRCC for an update. They advised CAP deployed and was searching for the ELT. Oakdale Airport was also determining whether the signal was still overhead. They will contact us if they determine this to be a distress beacon. **Update, 10/14/19, 0603 hours:** AFRCC advised CAP performed a ground search with negative results. CAP will be deploying air assets this morning to continue search. **Update, 1753 hours:** AFRCC advised CAP has narrowed down the ELT location and will be continuing search in the morning. **MISSION ONGOING**
- **2019-LAW-5883, 09/26/19, 1330 hours:** Fresno County requested two HRD K-9 teams to assist with an older case of a missing person. The state K-9 Coordinator was notified and working on resources for this weekend 9-28/29. Recourses are to meet at Trimmer Springs Road in the area of UTM coordinates; 11 s 0314967, 4081331. **Update, 09/27/19:** Fresno County requesting 20 type II searchers for 9-28/29. **Update:** Fresno County extending the search efforts through Wednesday, continuing with 20 type II searchers. **Update:** Fresno County has extended their request for HRD K-9's through Friday. **Update, 10/07/19:** Fresno SO planning for additional SAR resources for a continued search. **Update, 10/11/19:** Fresno SO confirmed their search was still active and estimated it would continue for at least the next week. **Update, 10/14/19, 2000 hours:** Santa Barbara SO advised the mission was not attempted today and may be pushed back to 10/15/19. **MISSION ONGOING**

Cal OES MISSION TASKING

Cal OES Missions

- **2019-Inland-6131, 10/09/19, 1954 hours:** Mariposa HHS has coordinated with ARB for three air monitors due to the Briceburg fire. The locations for the monitors will be: Coulterville community center (This is not the normal location but this site has a generator in case of PSPS by PG&E.), Lake Don Pedro Elementary School, and Midpines fire station. **ON SCENE**

Cal OES

GOVERNOR'S OFFICE
OF EMERGENCY SERVICES

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
